I offer a full training service covering all aspects of Computing and Technology.

Every course is tailor-made to the customers individual needs. I pride myself on creating courses that are easy to follow using every day words and not full of complicated technical terms. I believe strongly that the best way to learn is by experience and the courses are hands-on and practically based. I am a fully qualified teacher registered with the Teaching Council for Wales and have carried out training for the Ceredigion Youth Service , CREDU and private groups. These courses include :

- Computing for Beginners
- Microsoft Office (Word, Powerpoint, Excel)
- Using the Internet, Surfing, Email etc
- Website Design
- Digital Photography
- Video Editing
- Using CMS (Content Management Systems)

Please contact me for more details and to arrange a course.
